ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before **[INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

Needs and Uses: The Commission seeks to revise OMB 3060-0806 to conform this information collection to the program changes set forth in the Second Report and Order and Order on Reconsideration (Second E-Rate Modernization Order) (WC Docket No. 13-184, WC Docket No. 10-90, FCC 14-189; 80 FR 5961, February 4, 2015).

Collection of the information on FCC Forms 470 and 471 is necessary so that the Commission and the Universal Service Administrative Company (USAC) have sufficient information to determine if entities are eligible for funding pursuant to the schools and libraries support mechanism (the E-rate program), to determine if entities are complying with the Commission's rules, and to prevent waste, fraud, and abuse. In addition, the information is necessary for the Commission to evaluate the extent to which the E-rate program is meeting the statutory objectives specified in section 254(h) of the 1996 Act, and the Commission's own performance goals established in the Report and Order and Further Notice of Proposed Rulemaking (E-rate Modernization Order) (WC Docket No. 13-184, FCC 14-99; 79 FR 49160,

August 19, 2014) and Second E-rate Modernization Order. This information collection is being revised to modify FCC Form 471 pursuant to program and rule changes in the Second E-rate Modernization Order and to accommodate USAC's new online portal as well as the requirement that all FCC Forms 471 be electronically filed. On June 22, 2015, OMB approved an emergency request to revise OMB 3060-0806 which included revisions to the FCC Form 470 only. This revision does not propose changes to the FCC Form 470 but does seek to extend the six-month emergency extension to the full three years.
